# FAQ

## → Are all foreigners eligible for the free translation services?

Only third-country nationals are eligible. This does not apply to EU citizens.

## → In which cases and at which institutions can interpreting services be provided?

General interpreting services are provided for matters related to asylum, integration, and human rights protection at:

- Migration Department
- Courts (when hearing cases related to immigration procedures)
- Educational institutions
- Employment Service
- Healthcare institutions
- National Labour Inspectorate
- Foreigners Registration Centre
- Other public service providers

## → What documents can be translated?

- Personal identity documents
- Birth certificates
- Marriage certificates
- Divorce documents
- Guardianship documents
- Death certificates
- Documents confirming education
- Licences or other documents confirming qualifications
- Health certificates
- Procedural court documents
- Asylum procedure documents
